

Southern Oregon is *Wildly Serious About Business!*

Our collective vision is to make Southern Oregon the most business-friendly region on the West Coast. We are a public-private nonprofit organization, formed in 1987 as a regional economic development agency, and we work with Chambers, SBDCs, and many others to help businesses

take their next steps. Our mission is to advance business in Southern Oregon and foster economic vitality by helping companies and entrepreneurs Launch, Relocate, and Prosper.

In 2020-2023, SOREDI:

- assisted 557 businesses with grant administration
- facilitated 19 new Enterprise Zone applications
- worked with 31 loan clients, representing over \$4 million in gap financing

Gap Financing

SOREDI's loan program helps provide financing for small businesses with limited access to capital. Loans are fixed rate and fixed term with no early payoff penalties. We partner with your bank or other institutional lender to help your project move forward.
