Talk

Social Paradigm Shift

Gretchen Fox, Founder and CEO of MTO Agency & MTO EDU, a social media training program, will tell us **How Social Media Could & Should be Impacting Your Entire Organization.** Do you understand the full scope of the social-digital world? Is your business integrating social at every level of the organization, or is it just an afterthought? Don't miss this evening, as we walk through what CEOs, Executives and Business Owners need to know to win in the Social Age. Don't miss this opportunity to have your questions answered by one of Billboard Magazine's Top Women in Social and a regular contributing writer for Forbes online.
