Oregon Second Chance Tour

A Special Workshop on Hiring People with Criminal Records - 8:30 to 10:30

The Second Chance Tour is an initiative of the Oregon Governor's Reentry Council, in partnership with local Rogue Valley partners. A team of experts is visiting the Rogue Valley to engage Oregon employers about Second Chance Employment and provide information on risk management, employer incentives, best practices and community benefits. The event will also include a panel presentation of local employers and employees, plus consultative "office hours" confer time with the experts. <https://www.secondchancetour.com/>
