After the Fire: Recovery Tools and Strategies

Monday, October 12 - 2:00PM to 3:00PM

This **free** webinar picks up where FEMA and your insurance company leaves off with regards to recovering from both the COVID-19 Pandemic and the recent destructive wildfires. Continuing the live question and answer format with presentations from regional service providers and disaster program updates make this webinar a comprehensive guide to renewal and recovery strategies.

The featured guest speaker is Chelsea Irvine who will bring her own experience from the Camp Fire in Paradise, CA discussing recovery strategies that proved most effective. Presentations include: expense tracking for COVID-19 and fire-related programs; redevelopment strategies; State of Oregon business lending resources; and an insurance expert to discuss the loss of business income issues.
